INTEGRATION IN TABLE TOP

EMBEDDED

THE MOST INTEGRATED WIRELESS CHARGING STATION

EMBEDDED by IPAN IPAN

Integrated into the mass and invisible on surface, the charging areas merge with the decor using a simple marking on the table top. This ensures the furniture keeps its integrity, giving a perfect smooth touch and refined design.

**TECHNOLOGY FULLY INTEGRATED
AT THE HEART OF THE MATTER**

FLAT

BALANCE BETWEEN DESIGN, INTEGRATION AND EASY INSTALLATION

FLAT by IPAN IPAN

Perfect condensed between design and sobriety, the FLAT by IPAN IPAN charging stations are integrated into the table tops' surface to live in perfect harmony with the furniture. These charging stations create a totally flat appearance with the best level of finish that has never been achieved before.

PERFECT SMOOTH FINISH
ON SURFACE

ON TOP

WHEN DESIGN AND INSTALLATION SPEED MEET AT THE TOP

ON TOP by IPAN IPAN

Combining elegance and modernity, the ON TOP by IPAN IPAN charging stations are installed on the surface of the table tops for an assertive design and high visibility. Easy and fast, stations are installed just with a simple drill hole.

JUST A SIMPLE DRILL HOLE
TO INSTALL
